

## **Ehud Yairi, Curriculum Vitae (Feb, 2015)**

Office Address:

University of Illinois

Department of Speech & Hearing Science

901 South Sixth Street

Champaign, IL 61820

email: [e-yairi@illinois.edu](mailto:e-yairi@illinois.edu)

Tel. (Cell): 217- 621-2137

### **ACADEMIC BACKGROUND**

Ph.D., 1970, University of Iowa, Speech Pathology and Audiology

M.A., 1968, University of Iowa, Speech Pathology and Audiology

B.A., 1965, Tel Aviv University, Israel, (1) Psychology; (2) African & Middle East Studies

### **UNIVERSITY APPOINTMENTS**

Professor Emeritus, College of Applied Health Sciences, Dept. of Speech & Hearing Science,  
University of Illinois, 2005- Present

Visiting Full Professor, School of Medicine, Dept. of Communication Disorders,  
Tel Aviv University, 1995 to present

Full Professor, Speech & Hearing Science, University of Illinois, 1984-2004

Associate Professor, Speech & Hearing Science, University of Illinois, 1977-1984

Associate Professor, Speech Pathology & Audiology, Texas Tech University, 1973-1977

Assistant Professor, Speech Pathology & Audiology, Texas Tech University, 1970-1973

Research Associate, Speech Pathology & Audiology, University of Iowa, 1969-1970

Research/teaching Assistant, Speech Pathology & Audiology, University of Iowa, 1965-1969

### **ADMINISTRATIVE RESPONSIBILITIES**

Director, International-Illinois Stuttering Research Program, University of Illinois, 1977-2005

Director, Annual Institute for Head and Neck Cancer Patients (laryngectomy and glossectomy),  
University of Illinois, 1982 -1988

Director, Conferences on Stuttering, Language and Phonological Disorders, and Hearing.  
University of Illinois, 1985-1991

Coordinator, Clinical programs in fluency and voice disorders. University of Illinois, 1977-1989

Coordinator, Speech & Hearing Clinic, Texas Tech University, Summers: 1972-1975

**MEMBERSHIP IN SCIENTIFIC & PROFESSIONAL ORGANIZATIONS (Past)**

American Association for the Advancement of Science

Acoustical Society of America

American Speech-Language-Hearing Association

Israel Speech-Language and Hearing Association

International Fluency Association

**CERTIFICATION**

Clinical Competence in Speech Pathology, American Speech-Language Hearing Association

Fluency Specialist, American Speech-Language Hearing Association, SID #4

Instructor of alaryngeal Speech, International Association of Laryngectomees

Licensed Speech-Language Pathologist, State of Illinois

**HONORS & AWARDS**

Best Scientific Article Award, International Association of Logopedics & Phoniatrics, 2013

Lifetime Achievement in Publication Award, American Speech-Language-Hearing Association, 2012

Malcolm Fraser Award for Excellence in Stuttering, The Stuttering Foundation of America, 2005

Honors of the Association (highest in the field), American Speech-Language-Hearing Assn., 2002

Distinguished Alumni Award, Dept. of Speech Pathology and Audiology, University of Iowa, 2001

Researcher Award of Distinction (first recipient), International Fluency Association, 2000

King James McCristal Distinguished Scholar Award, University of Illinois, 1995

Outstanding Service, American Cancer Society, 1989

Excellence in Teaching Award, University of Illinois, 1988

Fellow, American Speech-Language-Hearing Association, 1986

Undergraduate Instructional Award for best project, University of Illinois, 1980

Curriculum and Development Award (\$10,000), Amoco Foundation, 1979

University Faculty Research Fellow, Texas Tech University, 1973

**NATIONAL SCIENTIFIC PANELS**

USA National Institutes of Health (NIH), NIDCD, Panel on State of the Science, 2005

USA National Institutes of Health (NIH), NIDCD, Study Section on Exploratory/Developmental Research: Feasibility Studies, 2002; 2004

USA National Institutes of Health (NIH), NIDCD, Committee on Research Training and Career Development, 1999-2000

USA National Institutes of Health (NIH), NIDCD, Committee on Programs, 1997-1999

USA National Institutes of Health (NIH), Center for Scientific Reviews, Study Section on Bio-Behavioral Research, 1999 to 2001

USA National Institutes of Health (NIH), NIDCD, Center for Scientific Reviews, Study Section on Sensory Disorders and Language, 1994-1998

USA National Institutes of Health (NIH), NIDCD, Committee on the National Strategic Research Plan, 1996-1997

USA National Institutes of Health (NIH), NIDCD, Panel on Stuttering Research, 1992

USA National Institutes of Health (NIH), NIDCD, Division of Research Grants, Special Review group, 1991

USA National Institutes of Health (NIH), NIDCD, Panel on Stuttering Research, 1989

National Science Foundation (NSF), Grant reviewer, 1979-1980

### **SCIENTIFIC EDITORIAL BOARDS & CONSULTANTSHIPS**

Journal of the Acoustical Society of America

Journal of Speech, Language, and Hearing Research

Journal of Speech and Hearing Disorders

Journal of Communication Disorders

Journal of Fluency Disorders

American Journal of Speech-Language Pathology

Folia Phoniatica

Psychiatric Achieves

Psychological Bulletin

### **MAJOR RESEARCH GRANTS (Principal Investigator)**

2002 Subtypes of Stuttering & Associated Risk Factors in Stuttering, \$4,300,000, NIH

1999 Stuttering in African Americans Children, \$100,000, NIH

1997 Developmental Trends of Childhood Stuttering, \$1,400,000, NIH

1993 Developmental Trends of Childhood Stuttering, \$1,100,000, NIH

1991 Development Trends of Early Childhood Stuttering, \$80,000, NIH

1989 Developmental Trends of Early Childhood Stuttering, \$503,000, NIH

### **MAJOR RESEARCH GRANTS (Co-Investigator)**

2011 Stuttering Subtypes & Associated Risk Factors in Stuttering, \$1,000,000, NIH (PI: N. Ambrose)

2000 Genetic Linkage Analysis in Stuttering, \$1.800,000, NIH (PIs: N. Cox; N. Ambrose)

**SMALL GRANTS (Principal Investigator)**

- 1999 Incidence of Stuttering, \$12,000, Research Board, University of Illinois
- 1993 Stuttering Research, \$3,775, Research Board, University of Illinois
- 1993 Treatment Efficacy for Stuttering, \$9,750, Research Board, University of Illinois
- 1990 Small Instrumentation Program, \$5,000, NIH
- 1989 Laryngeal Fatigue: Normal & Pathological, \$7,000, Research Board, University of Illinois
- 1987 Pediatricians and Childhood Stuttering, \$2,000, Speech Foundation of America
- 1986 Head and Neck Cancer, \$2,300, International Association of Laryngectomees
- 1986 Early Childhood Stuttering, \$3,000, Vice Chancellor, University of Illinois
- 1986 Stuttering Research, \$6,000, Research Board, University of Illinois
- 1985 Stuttering Therapy for School Aged Children, \$2,000, Speech Foundation of America
- 1982 Head and Neck Cancer Institute, \$12,500, American Cancer Society (1982-87)
- 1979 Development of Disfluencies in Preschoolers, \$9,000, Research Board, University of Illinois
- 1976 Disfluencies in Cerebral Damaged Patients, \$2,000, Texas Tech University
- 1972 Studies in Oral Stereognosis, \$1,500, Texas Tech University
- 1971 Voice Disorders in Children, \$2,000, Texas Tech University

### **WORKSHOPS & SHORT COURSES**

- 2011 Childhood stuttering: Current knowledge, diagnosis, prognosis, counseling, and treatment. Annual Convention, Illinois Speech-Language-Hearing Association, Chicago.

**Complete 1998-1911.**

- 1997 Treatment of stuttering in public schools settings. Peoria Public Schools, Peoria, IL.
- 1995 Targeted treatment for preschoolers who stutter. Peoria Public Schools, Peoria, IL.
- 1990 Advances in clinical management of stuttering in school-aged children. A MidState Special Education District, Hillsboro, IL.
- 1988 The treatment of stuttering in preschool age children. Lincoln Land Speech and Hearing Association, Decatur, IL.
- 1986 The changing theoretical models of stuttering and their effects on approaches to therapy. Tel Aviv University, Israel.
- Longitudinal studies of stuttering: Preliminary findings. Tel Aviv University.
- 1985 The role of role-play in treatment of stuttering in school-age children who stutter. Conference, Speech Foundation of America.
- 1984 A comprehensive approach to treating stuttering in school age children. Public Schools System, Champaign, IL.
- Recent innovations in stuttering therapy for children. Speech and Hearing Institute, Tel Aviv Municipality, Israel.
- A Comprehensive approach to treating stuttering in the school setting. A short course, annual convention, Connecticut Speech-Language-Hearing Association, New Haven, CT.
- Voice disorders: Diagnosis and treatment. A short course, Connecticut Speech-Language-Hearing Association, New Haven, CT.
- 1982 Alternative approaches to stuttering treatment in the school setting. Public School System,

Lombard, IL.

Alternative approaches to stuttering treatment in the school setting. Public School System, Vermilion County, Danville, IL.

1981 Recent developments in the treatment of stuttering. Four Rivers Special Education District, Jacksonville, IL.

1978 Spastic dysphonia: Background and recent development in its treatment. Eastern Illinois Speech and Hearing Association Champaign-Urbana, IL.

1977 The treatment of spastic dysphonia. Kent State University, Kent, OH

Motoric and linguistic aspects of stuttering: A symposium. A panelist, Northwestern University, Evanston, IL

1974 Stuttering therapy for pre-school and for school-aged children. West Texas Education Cooperative, Lubbock, TX.

## **UNIVERSITY TEACHING**

### **DOCTORAL LEVEL COURSES**

Research publication, scientific review /critique, and research grants

### **MA LEVEL COURSES**

Research Methods in Communication Disorders

Advanced Seminar in Stuttering

Fundamentals of Stuttering

Voice Disorders

Speech Disorders for Associated Laryngectomy and Glossectomy

Thesis Research

### **UNDERGRADUATE COURSES\_**

Research Aspects in Speech and Hearing Science

Human Communication: Systems, Processes, Disorders

Introduction to Speech Pathology

Speech Anatomy and Physiology

Disorders of Articulation and Phonology

Special Problems

Honors Course

### **EXTRAMURAL TEACHING**

Seminar in Stuttering

Voice Disorders

(These night-time full semester graduate level courses were taught in three Illinois cities)

**DIRECTOR: MASTER THESIS & DOCTORAL DISSERTATIONS****M.A. Theses, Texas Tech University**

- Clifton, Jr., Noel F. (1971). An investigation of the disfluent speech behavior of preschool children, high school seniors and geriatric persons.

\* Served on numerous masters theses and doctoral dissertations committees

**INSTRUCTIONAL PRODUCTIVITY**

Produced the following instructional videotapes:

- Conditions Which Ameliorate Stuttering
- An Initial Interview with a Stutterer
- Stuttering Therapy: The Phase of Identification
- Treatment of Stuttering in Preschool Children
- Operant Conditioning for Treatment of Stuttering
- Stuttering Therapy: The Method of Rate Control
- Types of Laryngeal Speakers
- Problems of Laryngectomies
- Speech Therapy for Laryngectomies

**UNIVERSITY SERVICES****UNIVERSITY LEVEL COMMITTEES**

Professional Graduate Studies, University of Illinois, 1984-86.

Senate, University of Illinois, 1982-85.

**COLLEGIATE AND INTERCOLLEGIATE LEVEL**

Executive Committee, College of Applied Life Studies. Univ. of Illinois, 1994-97.

Promotion and tenure Committee, Applied Life Studies. Univ. of Illinois, 1991-1998.

Capricious Grading Committee, Applied Life Science, Univ. of Illinois, 1991-93.

Committee on the Teaching and Learning, College of Arts and Sciences, Texas Tech University,  
1976-77.

Executive Committee, Interdepartmental Program in Neuroscience, Texas Tech University, 1974-75.

Research Committee, Institute of Human Resources, Arts & Sciences, Texas Tech University, 1972-3.
